

What's that Song?

Name the number 1 hit from opening lyric

- We skipped the light fandango, turned cartwheels 'cross the floor...
- I don't wanna talk, About things we've gone through
- Oh yeah, I'll tell you something, I think you'll understand
- I was born in a cross-fire hurricane, and I howled at my Ma in the drivin' rain
- City dweller, successful fella
- The old town looks the same as I step down from the train
- Trailer for sale or rent, rooms to let fifty cents
- The taxman's taken all my dough
- Ground Control to Major Tom
- Close your eyes, give me your hand, darling Do you feel my heart beating
- They say we're young and we don't know
- There she was just a-walkin' down the street
- Standing in the dock at Southampton Trying to get to Holland or France
- You keep saying you've got something for me, something you call love but confess
- I saw her today, I saw her face, It was the face I loved and I knew
- Slip inside the eye of your mind Don't you know you might find
- Let's go for a little walk
- I've never seen you looking so lovely as you did tonight
- Please lock me away and don't allow the day
- Now I've heard there was a secret chord That David played, and it pleased the Lord
- I met a gin soaked, bar-room queen in Memphis, She tried to take me upstairs for a ride.
- Got a good reason for taking the easy way out
- Goodbye Norma Jean, Though I never knew you at all
- Turnaround, every now and then I get a little bit lonely and you're never coming round.
- We've got stars directing our fate And we're praying it's not too late
- You talk like Marlene Dietrich
- I gave a letter to the postman, he put it in his sack
