

Twilight Saga

Breaking Dawn - Part 2 (2012)

1. With Bella now a vampire, what does Edward have to do before he can introduce her to their daughter Renesmee?
2. By being 'imprinted' on Renesmee, what does it mean for both Renesmee and Jacob?
3. To protect their identities, Carlisle announces that the family must leave Forks, Washington. Desperate not to lose Renesmee, who does Jacob visit to tell about recent events?
4. Not knowing where Renesmee came from, and to protect their identity, what do the Cullen's lead Charlie to accept about his granddaughter Renesmee?
5. Who mistakenly assumes that Renesmee is an 'Immortal Child', which is outlawed by the vampire leadership and anyone caught with one is executed on the spot, reporting the crime to the Volturi?
6. What special power does Bella learn she has, even when she was human, which she is taught how to control to protect others from vampire superpowers?
7. With a possible battle looming, who are the allies, the Cullen's recruit as part of their army?
8. For her mistake to provoke the Cullen's into battle, who do the Volturi summarily execute?
9. Alice reveals a witness in a plea to prove Renesmee is not a threat to the vampires' secrecy. A Mapuche man from South America. What is unique about this man?
10. What does Alice see when she glimpses into the future which relieves Edward when he reads her mind?
11. Alone in their favourite meadow, Bella pushes her mental shield away so Edward can finally... what?
12. What does Bella show Edward after she pushed her mental shield away?
