

SEASON 1 (2005)

Question	Answer	Did You Know?
Renowned Forensic Anthropologist Dr. Temperance Brennan returns to Washington DC after spending 2 months in 'which Country' where she was identifying victims of genocide?	Guatemala	 Based on a Real Scientist Dr. Temperance Brennan is inspired by real-life forensic anthropologist and author Kathy Reichs, who also served as a producer on the show. The character shares her name with the lead from Reichs' novels.
Temperance Brennan is accosted at the airport by an agent from Homeland Security for carrying 'what' in her bag?	A human skull	
How many different martial arts is Temperance Brennan a student in?	Three	
Temperance discovers that her arrest by Homeland Security at the airport was 'whose' plot, to get her help on an FBI Case?	FBI Special Agent Seeley Booth	
Brennan's best friend Angela Montenegro, a forensic artist did what at the airport to get the clerk's attention when she was trying to find Brennan to pick her up?	Flashes the airport clerk	 Emily Deschanel Is a Real-Life Vegan Like her on-screen counterpart, Deschanel is a dedicated vegan and advocate for animal rights and environmental causes.
At the Jeffersonian Institute, Brennan argues with her boss, Dr. Daniel Goodman, for assigning her to work with other federal agencies without what?	Consulting her	
What is the name of the computer program Angela developed that helps her to make three-dimensional holographic reconstructions?	The Angelator	 David Boreanaz Directed Multiple Episodes David Boreanaz didn't just play Booth — he also directed 11 episodes, proving his talent behind the camera as well as in front of it.
Which team member is a devout conspiracy theorist?	Jack Hodgins	
Who is Brennan's assistant in the first season?	Zack Addy	
		 The Jeffersonian Is Fictional Though it looks official, the Jeffersonian Institute is made up — it's modeled after the Smithsonian

Bones (2005 – 2017)

Wooden Spoon Quizzes

Booth is given his own access pass to the lab courtesy of 'who'?	Brennan	<p>Institution, and many exteriors were filmed at real D.C. museums.</p> <p> The Writers' Strike Changed Zack's Story The 2007 writers' strike led to a major shift in Zack Addy's storyline, forcing an unexpected plot twist due to the shortened season.</p> <p> The Theme Song Was Created by The Crystal Method That catchy opening music? It was composed by The Crystal Method, an electronic music duo known for their work in film and TV.</p> <p> Emily Deschanel's Pregnancy Was Written Into the Show When Deschanel became pregnant in real life, the writers wrote it into Brennan's storyline — which led to the birth of Christine, Booth and Brennan's daughter.</p> <p> Real Science Advisors Helped Keep It Accurate The show employed real forensic consultants to keep the science (somewhat) grounded — although they definitely added dramatic flair for TV.</p>
When the arm of a victim is found inside a black bear, after reviewing a photograph taken of the arm, Brennan discovers that the victim lost his arm how?	Cut off by a saw before the bear ate it	
Hodgins and Zack vie for the attention of the parcel delivery person, who later turns out to be bisexual, choosing 'Who' over Hodgins and Zack?	Angela	
Booth shows up at Brennan's lecture at 'which' University in Washington?	American University	
Angela learns from Zack that 'who' is extremely wealthy and that his family are the single biggest donors to the 'what'?	Jack / Jeffersonian	
As they prepare to leave for a banquet, Dr. Goodman notes Angela's distress over her job and comforts her by telling her that she gives the victims back their 'what' and 'what', not 'death masks'?	Faces / Identities	
When Angela persuades Brennan to stop working and go to a club with her, Brennan inadvertently starts a fight by describing the music as 'what'?	Tribal	
During a fight at a club, Brennan kicks a man who falls against a wall and breaks it, revealing a hidden 'what' inside and disperses a cloud of methamphetamine onto the dance floor which doses Angela and Brennan as well?	Mummy	
Booth and Brennan have an argument about Booth's refusal to approve Brennan's	Carry a concealed weapon	

application to be allowed to do 'what' as she was formerly charged with a felony?		<p> Some Cases Were Inspired by True Events A few episodes drew from real-life forensic cases, including obscure methods and rare causes of death.</p> <p> The Lab Set Was Fully Functional (Sort Of) The Jeffersonian's lab set was one of the most detailed on TV, with working monitors, tools, and even functioning skeleton rigs — though nothing actually did forensic science.</p> <p> Temperance Brennan Was Also a Novelist — Like Her Creator In the show, Brennan writes crime novels featuring a fictional character named Kathy Reichs — a meta nod to the real author who inspired it all!</p> <p> Emily Deschanel's Sister Guest-Starred as Her Cousin In Season 5, Zooey Deschanel (Emily's real-life sister and New Girl star) guest-starred as Brennan's quirky second cousin, Margaret Whitesell.</p> <p> The Corpse Props Were Wildly Creative The makeup and prop team used real pig bones, gelatin, Jell-O, and even BBQ sauce to make the</p>
Booth is approached by new lawyer, Amy Morton who tells Booth she is representing death-row-inmate Howard Epps asking for his help to prove Epps innocence. How long do they have before Epps is scheduled to be executed?	30 hours	
Dr. Michael Stires the former professor of 'who' from Northwestern University, dropped by for a visit?	Brennan's	
What does Zack trigger while cutting through a skeleton on December 23, while the company Christmas Party is going on upstairs?	The bio-hazard alarm	
In the Christmas episode of the first season, we discover that 'who' has a 4-year-old son named Parker and 'who' from 'what band' is Angela's father?	Booth / Billy Gibbons / ZZ Top	
How old was Brennan when her parents disappeared?	15	
Booth enters Brennan's office and waits as she awkwardly answers questions about her new book, 'called what', in a television interview on Wake Up, DC!?	Bred in the Bone	
Agent Samantha Pickering from the State Department, was assigned to conduct 'what' on the team?	A security review	
What happens after Brennan makes a phone call after Agent Pickering questions her about classified information when she was in Cuba?	The review is suspended and Pickering's notes are destroyed	

Bones (2005 – 2017)

Wooden Spoon Quizzes

While walking to a date at a restaurant with David Simmons, a man she had met on the internet, Brennan is shot at, and only avoids being hit due to 'what'?	Bending over to retrieve her dropped cell phone as the shots are fired	bodies look disturbingly real — and sometimes attract ants on set!
Concerned for her safety, while protecting Brennan from a suspected killer, who shot at her. Booth accompanies Brennan home. What happens to Booth when he opens Brennan's fridge to get a drink?	It explodes, seriously injuring him	 The Cast Took Home Mementos When the show ended, several cast members kept props — Michaela Conlin reportedly took Angela's infamous "Angelatron," and David Boreanaz kept Booth's FBI badge.
Agent Jamie Kenton kidnapped 'who' and took her to a warehouse where he tied her up and prepared to kill her in an identical method to 'whose' previous killings in order to frame him?	Brennan / Kevin Hollings (The KeyMaster)	 Angela's Tech Was Pure Sci-Fi Angela Montenegro's 3D holographic imaging system, the Angelatron, had no real-world equivalent — but fans loved its futuristic flair.
Brennan cancels her date in order to spend time with Booth while she recovers in hospital. What film do the two of them watch together?	The Grapes of Wrath	
'Who' finds a skull in the New Mexico desert on her vacation, and asks Brennan for help identifying the skull, as she fears it may be that of her missing boyfriend?	Angela	 Tamara Taylor Was Originally a Guest Star Dr. Camille Saroyan was supposed to appear in just a few episodes — but after positive reception, she became a main cast member starting in Season 2.
Dr. Brennan spends her vacation in 'which city', where she is taking her vacation time to help identify victims of Hurricane 'what'?	New Orleans / Katrina	
The team helps FBI Deputy Director Sam Cullen's daughter, Amy, when she contracts a rare form of 'what' after receiving a bone graft?	Lung cancer	 The Show Avoided a Classic TV Death Trope Unlike many long-running dramas, Bones rarely killed off main characters, instead focusing on character growth and rotating interns to keep things fresh.
After finding a charred body at a military cemetery and after being forced to relive some unpleasant memories from his time in the army, Brennan becomes worried about 'who'	Booth	

becoming emotionally affected while they investigate?		
Booth opens an investigation into the disappearance of Dr. Brennan's parents when 'what' are discovered?	Her mother's remains	
Booth, Brennan and Brennan's brother Russ share drinks in her apartment when Brennan's answering machine reveals a recorded message from 'who'?	Her estranged father, Max	

SEASON 2 (2006)

'Who' was hired by Dr. Goodman to be the Head of Forensic Division at the Jeffersonian Institute and Brennan's new boss?	Dr. Camille Saroyan	<p> Each Episode Title Included the Word "Bones" Early On</p> <p>In the first seasons, many episode titles followed a pattern, like "The Man in the..." or "The Woman at the...", emphasizing the body part or location — a subtle nod to Bones' formula.</p> <p> Fans Spotted Running Gags and Hidden Easter Eggs</p> <p>From the Jeffersonian's weird security protocols to Brennan's inability to grasp pop culture, sharp-eyed fans noticed recurring gags that made rewatching even more fun.</p>
'Who' notes that Booth and Cam act like they were previously involved?	Angela	
When the man who murdered Brennan's mother is killed in prison by a maniac who murdered his entire family, Brennan learns that 'who' ordered the hit on her murderer?	Her father, Max	
Booth is annoyed his ex-girlfriend Rebecca, the mother of his son Parker, is letting Parker spend so much time with 'who'?	Her new boyfriend	
When Brennan and Cam struggle for power and argue, Cam threatens to fire Brennan, but backs down when the whole team make her realize the cost of that action with 'who' stating he was with Brennan 'all the way'?	Booth	

'Who' works up the nerve to ask Angela out on a date. At first, she rejects due to their situation as co-workers but after seeking advice from Brennan and Cam, she agrees to go.?	Hodgins	<p> Many Characters Were Named After Real People Several characters, including Dr. Brennan's full name Temperance Brennan, and others, were drawn from real-world scientists, colleagues, and friends of Kathy Reichs.</p> <p> Zack Addy Was Almost a Very Different Character Originally, Zack was written to be less socially awkward, but the writers leaned into Eric Millegan's unique take — and it became one of the show's most beloved quirks.</p> <p> The Christmas Episodes Had Real Meaning Each holiday episode was carefully crafted to show emotional growth — especially for Brennan, who gradually softens toward tradition and family as the seasons go on.</p> <p> The Lab Skeleton Has a Name That iconic skeleton hanging in the Jeffersonian lab? Fans nicknamed it "Boney" — and cast/crew often posed with it between takes.</p> <p> The Cast Pulled Pranks Constantly Behind the scenes, the Bones set was known for practical jokes — especially between David</p>
While questioning a suspect at a casino, Booth finds himself face to face with his old addiction, 'what'?	Gambling	
While investigating the murder of two kidnapped teenage twin boys who were found in a spaceship-like capsule and buried alive underground, 'who' and 'who' find themselves victims of the 'Grave Digger'?	Brennan / Hodgins	
The episode 'The Headless Witch in the Woods' is an allusion to which well-known horror film?	The Blair Witch Project	
Booth and Brennan are ordered to the cell of serial killer 'who' to identify the remains of an inmate but to their surprise, the charred remains do not belong to him?	Howard Epps	
'Who' inhales a toxin while performing an autopsy, which puts her life in danger?	Cam	
It is discovered that 'who' has Coulrophobia (a fear of clowns)?	Booth	
'Who' is ordered to go see a psychiatrist after irrationally discharging his firearm at the clown on the top of an ice cream truck?	Booth	
'Who' guest stars as Booth's psychiatrist Dr. Gordon Gordon Wyatt?	Stephen Fry	
When a benefactor of the Jeffersonian is found murdered, it's up to the team to find out who,	Hodgins	

but 'whose' past with the widow complicates matters?		Boreanaz and T.J. Thyne, who often competed to “gross out” guest stars.
'How many' separate bodies are found murdered exactly the way Brennan wrote them in her new book?	Three	
During Brennan's vacation, a woman's body is found with its 'what' removed?	Bones	 David Boreanaz Kept a Cheeseburger On Set Boreanaz reportedly had a cheeseburger prop on set for years — a running inside joke. Sometimes it would randomly appear in background scenes.
Sully tells Brennan he bought a 'what' and will be leaving for a year, at the end of the case, to tour the Caribbean?	Boat	
While investigating remains found at a church, 'who' and 'who' argue about the validity of religion?	Booth / Brennan	 Booth's Shooting Skills Were Exaggerated In real life, FBI agents aren't typically field sharpshooters like Booth — but the show leaned into the action-hero vibe to contrast Brennan's logic with Booth's instinct.
When Booth is abducted and being tortured by crime boss, Gallagher, 'who' and 'who' come to his rescue?	Brennan / Max	
Brennan and Booth are called by Homeland Security to investigate the scene at an old stone house where 'what type' of bones had been found?	Glowing (possibly radioactive)	 Temperance Brennan's Character Was in Another TV Show Brennan briefly appears as a fictionalized version of herself in a Family Guy episode, voiced by Emily Deschanel, during one of Peter's cutaway gags.
Hodgins and Angela decide to get married but 'who' ended up proposing?	Angela	
'Who' is asked to serve his country in Iraq?	Zack	 The Cast Didn't Always Know Who the Killer Was During production, actors were sometimes kept in the dark about who the killer was in a given episode to keep performances genuine and unscripted in their suspicion.
While Hodgins and Angela prepare for their wedding, Caroline Julian informs the couple 'what'?	Angela is still married	

		 Emily Deschanel and David Boreanaz Recorded a Podcast In 2020, the two stars reunited to discuss the show, share behind-the-scenes stories, and revisit fan-favorite moments in a special podcast series.
--	--	---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

SEASON 3 (2007)

Angela and Hodgins hire a private investigator to track down 'who'?	Angela's ex-husband	 The Angelatron Was Modeled After Real 3D Technology While the holographic 3D display was futuristic, it was inspired by early 3D imaging and visualization tech used in some medical and forensic fields.  The Show Has a Halloween Tradition The cast and crew often celebrated Halloween with costume parties and on-set pranks, embracing the spooky vibe that fits the show's crime themes.  Some Episodes Were Directed by Guest Stars Actors like T.J. Thyne (Dr. Hodgins) and Michaela Conlin (Angela) took turns directing episodes later in the series.
Angela attempts to go under 'what' to find out the name of her husband nicknamed Birambau to divorce him in order to marry Hodgins?	Hypnosis	
A minivan explodes at a car park, killing a woman. After piecing together, her remains, Booth and the team realize that she is a known fugitive to the FBI for nearly 'how many' years and had been a member of the National Liberation Army?	30	
After a case from the 1970s is reopened, Booth finds himself in an awkward position when 'who' was the agent in charge?	His mentor	
The FBI forces 'who' and 'who' to undergo psychiatric counselling with Dr. Lance Sweets?	Booth / Brennan	
'Who' become murder suspects when the remains of a Jeffersonian intern are found in the building's incinerator?	Employees of the Jeffersonian Institute	

Bones (2005 – 2017)

Wooden Spoon Quizzes

Booth poses as 'whose' boyfriend and accompanies her to her family get-together?	Cam's	<p> The Show's Timeline Was Mostly Real-Time The characters aged and progressed roughly in sync with the real-world timeline from 2005 to 2017, making the story arcs feel more natural and grounded.</p> <p> Many Fans Created Their Own Fan Art and Comics The Bones fandom is known for its creative fan fiction, fan art, and even cosplay, keeping the spirit of the show alive years after it ended.</p> <p> The Series Helped Launch Several Actors' Careers Besides the main cast, Bones helped break out several guest stars and recurring actors who went on to star in other popular shows and films.</p> <p> The Cast Formed a Band for Fun On a few rare occasions, the cast jammed together informally, with Billy Gibbons sometimes joining in on guitar during breaks.</p> <p> Angela's Avatar Was One of the First TV Uses of Motion Capture</p>
The body of a teenage boy was found by his former high school classmates to have been hidden inside a 'what' that was buried 20 years ago?	Time Capsule	
Booth and Brennan's investigation into the death of a priest leads them back on the case of the 'which serial killer' when the priest's kneecaps were discovered to have been surgically removed?	The Gormogon serial killer	
'How many' days before Christmas, Booth, Brennan and their team are sent to investigate the death of a Santa Claus impostor after his body was discovered in the sewer near a mall?	Three	
The team discover that the legal name of the Santa Claus impostor found dead in the sewer is 'what'?	Kristopher Kringle	
'Who' and 'Who' find themselves under a mistletoe?	Brennan / Booth	
Brennan decides to spend Christmas with who?	Her father, brother and his family	
What type of 'role play' was a man whose decomposed body, whose feet were removed and arms bound, found in the woods into?	Animal Role Play (aka Pony Play)	
Brennan's father Max Keenan is on trial for the alleged murder of 'who'?	FBI Deputy Director Kirby	
Hodgin's use 'what' to puree the maggots found on a victim's body in order to find out what foreign substances he had taken?	Cam's blender	

A woman is killed when her car is run off the road, but miraculously 'what' survived the accident, leading to Brennan and Booth becoming carers while the killer is identified?	Her baby	<p>The digital avatar of Angela was created using early motion-capture technology, making it cutting-edge for its time.</p> <p> Booth's Character Was Inspired by Clint Eastwood David Boreanaz mentioned in interviews that Booth's tough-guy, no-nonsense persona was partly inspired by Clint Eastwood's iconic roles.</p> <p> Temperance Brennan's Character Evolves From Book to TV While both versions are forensic anthropologists, the TV Brennan is more socially awkward and skeptical, while the book version is warmer and more outgoing.</p> <p> Makeup Artists Created a "Tooth Fairy" Nickname Because of the many dental scenes, the makeup and prop team jokingly called themselves the "Tooth Fairies."</p> <p> Most of the Show's Crime Scenes Were Shot on Soundstages To maintain control and speed, nearly all crime scenes were built sets, allowing for multiple takes and complex camera work.</p>
During Max's trial for the alleged murder of FBI Deputy Director Kirby, everyone on the team is called as a witness, apart from 'who'?	Brennan	
What is Brennan's role during her father's murder trial?	Forensics advisor for the defence	
An investigation leads to the Checker Box Restaurant's Open Mic Night, where 'who' reveals she is more musically inclined than she appears?	Brennan	
'Who' gets shot with his fate unknown, until it is discovered that his 'funeral' was a covert operation?	Booth	
An explosion at the lab injures 'who' and 'who'?	Zack / Hodgins	
Cam discovers that Gormogon's 'what' is missing from the basement vault?	Silver skeleton	
'What type' of serial killer is Gormogon?	Cannibalistic Serial Killer	

SEASON 4 (2008)

Booth and Brennan attend a conference, at which University?	Oxford University in Oxford, England	<p> Many Props Were Repurposed Across Episodes – To save budget, the production team often reused bones, body parts, and lab equipment with slight modifications between cases.</p> <p> Dr. Brennan's Skepticism Reflects Real Scientists' Mindsets – Her often blunt, logical approach mirrors real forensic scientists' careful, evidence-based work — though the show dramatizes it for storytelling.</p> <p> Kathy Reichs Wrote Several Episodes – The author herself penned a few scripts for Bones, adding authenticity and insider knowledge to the forensic details.</p> <p> The Cast Took a Trip to the Smithsonian – During filming breaks, the main cast toured the Smithsonian Institution to better understand the real-world inspiration behind the Jeffersonian.</p> <p> The Show Had Several Mid-Season Breaks – Several seasons split into two parts with a hiatus, allowing for special event episodes and building suspense around cliffhangers.</p>
Angela's estranged husband, Grayson Barasa, is finally found, but he refuses to do 'what'?	Sign the divorce papers	
'Who' discovers a corpse's finger in a bird's nest?	Parker, Booth's son	
Which Mexican-American dog trainer makes a guest appearance in the episode 'The Finger in the Nest'?	César Millán	
When skeletal remains are found in the Chesapeake Bay, Brennan and Booth are on the case to investigate. With only the upper torso of the victim intact, the team has little to work from besides the remnants of 'what artificial device'?	The victim's breast implants	
When Booth interrogates Roxie Lyon, the assistant of a murdered artist named Geoffrey Thorne, when Booth asks her if she slept with Geoffrey, she denies it, claiming that she is a lesbian, and if he didn't believe her, to ask 'who'?	Angela	
Who's younger brother, Jared, moves to DC to take a job at the Pentagon?	Booth's	
Booth and Brennan go to 'which country' where Brennan has been summoned to help identify pre-historic anthropological remains with Booth in tow to watch over her highly sensitive equipment?	China	

Booth's and Brennan's flight to China is disrupted when a flight attendant discover 'what' in the plane's industrial microwave?	A fully cooked human body	 Angela's Art Inspires Real Fans – Michaela Conlin's portrayal of Angela's creativity inspired fans to explore digital art and forensic visualization in their own careers.
Brennan learns of her father's new position as a 'what', a prospect she is less than happy to learn about?	Teacher	
The team investigates the death of female twins who worked at a circus. What was unique about the twins?	They are conjoined	
Why is Booth hesitant about working undercover on a case at a circus?	His fear of clowns	
While investigating a murder at a circus, Brennan and Booth go undercover as 'who', Canadian performers in a knife-throwing act?	Wanda and Buck Moosejaw	 Angela Montenegro's Name Is a Tribute - Angela's full name is Angela Pearly-Gates Montenegro — a whimsical nod to her free-spirited father (played by ZZ Top's Billy Gibbons) and her artistic soul.
While investigating a murder at a circus, 'who' helps Brennan and Booth understand Circus lingo?	Sweets	
When the body of a fireman is discovered in a frozen lake. 'Who' becomes a suspect as he was seen fighting with the victim during an amateur hockey game some weeks previously?	Booth	 The Show Has a Dedicated Fan Convention - Every year, Bones fans have gathered at special conventions to meet cast members, watch exclusive footage, and celebrate the series.
'Who' serves as a temporary replacement for Booth, when Booth is the prime suspect in the murder of the victim, much to Brennan's annoyance?	Agent Payton Perotta	
Which Canadian-American NHL Legend guest stars in the episode 'Fire in the Ice'?	Luc Robitaille	 Booth's Badge Was Made by the FBI - For authenticity, the show got a realistic FBI badge replica crafted specifically for David Boreanaz to use on set.
Evidence from which serial killer case went missing and 'who' and 'who' are suspected of taking it?	The Gravedigger / Brennan and Hodgins	

 **T.J. Thyne Almost Didn't Get the Role of Hodgins** - T.J. originally auditioned for a

Bones (2005 – 2017)

Wooden Spoon Quizzes

When Booth gets knocked out, tasered and pumped full of drugs, he is stuffed into 'what' toy-like vessel?	A yellow submarine	<p>different part but impressed producers so much they created the character Jack Hodgins specifically for him.</p> <p> The Show Featured Original Music Composed by Robert Duffield - The soundtrack blends suspense and emotional beats, with Robert Duffield composing many memorable pieces for the series.</p> <p> Emily Deschanel and David Boreanaz Met on the Show - The two leads actually first met on set during auditions and instantly developed a strong working relationship that helped fuel their on-screen chemistry.</p> <p> Billy Gibbons Played Angela's Dad as Himself - Angela's father is Billy Gibbons of ZZ Top — but he never has a character name. In the show, he's simply referred to as "my dad" or "Angela's dad", keeping it meta and mysterious.</p>
With Booth in the hospital with a bad back, Brennan must work with Agent Payton Perrota to investigate the murder of a promotional model for ImagiCon. What is ImagiCon a parody of?	Comic-Con	
A bungee-jumping couple plunged off of a hot-air balloon after getting married only to come face-to-face with 'what'?	A corpse	
While investigating the murder of a pregnant 16-year-old high school volleyball player, Booth and Brennan are shocked to find that nearly half of her teammates are either 'what' or already 'what'?	Pregnant / already have babies with the same father	
The half-eaten body of who's former fiancé is found in the tiger enclosure at a wildlife park?	Cam's	
Booth and Brennan are sent to investigate when human remains are found during a photo shoot. The team uncovers a 'what' in the victim's ear?	A meteorite	
'Who' arrives in town to confront Hodgins?	Angela's father	
An image of the Virgin Mary turns out to be a 'what' at a cardboard recycling plant?	Bloodstain	
Booth and Bones must break the news to 'who' when they see his girlfriend 'who' trying on a wedding dress with another man?	Sweets / Daisy	
'What' was found being used as a stage prop for a black metal band in Norway?	A Skeleton	

Bones (2005 – 2017)

Wooden Spoon Quizzes

'Who' returns to help Sweets write his book on Booth and Brennan by giving him a perspective on their relationship?	Dr. Gordon Wyatt	<p>🌸 The Opening Credits Change Over Time - If you watch closely, the opening sequence evolves subtly across seasons — especially with cast changes, Brennan's wardrobe, and new lab tech visuals.</p> <p>💔 Some Cast Members Almost Left Early - Michaela Conlin (Angela) and Eric Millegan (Zack) both considered leaving at points but stayed thanks to fan support and new storyline opportunities.</p> <p>📖 Temperance Brennan's Books Are Real and Popular - The Bones novels written by Kathy Reichs (on whom the character is based) are bestsellers and have inspired many readers to explore forensic anthropology careers.</p> <p>🧪 The Lab Staff Wore Real Lab Coats - To boost authenticity, the actors and extras playing the lab techs wore actual lab coats and gear, rather than just costumes.</p>
What is the name of the teenager that Cam adopts?	Michelle	
Jimmy 'Beaver' Bouvier is found strung up in the costume of his college mascot, an 'what'?	Otter	
'Who' decides to have a baby and asks 'who' to be the father?	Brennan / Booth
