QUESTION	ANSWER	DID YOU KNOW?
1. Booth and Brennan attend a conference, at which University?	1. Oxford University in Oxford, England	 Many Props Were Repurposed Across Episodes – To save budget, the production team often reused bones, body parts, and lab equipment with slight modifications between cases.
2. Angela's estranged husband, Grayson Barasa, is finally found, but he refuses to do 'what'?	2. Sign the divorce papers	
3. 'Who' discovers a corpse's finger in a bird's nest?	3. Parker, Booth's son	
4. Which Mexican-American dog trainer makes a guest appearance in the episode 'The Finger in the Nest'?	4. César Millán	 Dr. Brennan's Skepticism Reflects Real Scientists' Mindsets – Her often blunt, logical approach mirrors real forensic scientists' careful, evidence-based work — though the show dramatizes it for storytelling.
5. When skeletal remains are found in the Chesapeake Bay, Brennan and Booth are on the case to investigate. With only the upper torso of the victim intact, the team has little to work from besides the remnants of 'what artificial device'?	5. The victim's breast implants	
6. When Booth interrogates Roxie Lyon, the assistant of a murdered artist named Geoffrey Thorne, when Booth asks her if she slept with Geoffrey, she denies it, claiming that she is a lesbian, and if he didn't believe her, to ask 'who'?	6. Angela	
7. Who's younger brother, Jared, moves to DC to take a job at the Pentagon?	7. Booth's	 Kathy Reichs Wrote Several Episodes – The author herself penned a few scripts for Bones, adding authenticity and insider knowledge to the forensic details.
8. Booth and Brennan go to 'which country' where Brennan has been summoned to help identify pre-historic anthropological remains with Booth in tow to watch over her highly sensitive equipment?	8. China	
9. Booth's and Brennan's flight to China is disrupted when a flight attendant discover 'what' in the plane's industrial microwave?	9. A fully cooked human body	
10. Brennan learns of her father's new position as a 'what', a prospect she is less than happy to learn about?	10. Teacher	 The Cast Took a Trip to the Smithsonian – During filming breaks, the main cast toured the Smithsonian Institution to better understand the real-world inspiration behind the Jeffersonian.
11. The team investigates the death of female twins who worked at a circus. What was unique about the twins?	11. They are conjoined	
12. Why is Booth hesitant about working undercover on a case at a circus?	12. His fear of clowns	
		 The Show Had Several Mid-Season Breaks – Several seasons split into two parts with a hiatus, allowing for special event episodes and building suspense around cliffhangers.
		 Angela's Art Inspires Real Fans – Michaela Conlin's portrayal of Angela's creativity inspired fans to explore digital art and forensic visualization in their own careers.
