QUESTION	ANSWER	DID YOU KNOW?
1. 'Who' arrives in town to confront Hodgins?	1. Angela's father	 Billy Gibbons Played Angela's Dad as Himself - Angela's father is Billy Gibbons of ZZ Top — but he never has a character name. In the show, he's simply referred to as "my dad" or "Angela's dad", keeping it meta and mysterious.
2. An image of the Virgin Mary turns out to be a 'what' at a cardboard recycling plant?	2. Bloodstain	
3. Booth and Bones must break the news to 'who' when they see his girlfriend 'who' trying on a wedding dress with another man?	3. Sweets / Daisy	
	4. A Skeleton	
4. 'What' was found being used as a stage prop for a black metal band in Norway?	5. Dr. Gordon Wyatt	 The Opening Credits Change Over Time - If you watch closely, the opening sequence evolves subtly across seasons — especially with cast changes, Brennan's wardrobe, and new lab tech visuals.
5. 'Who' returns to help Sweets write his book on Booth and Brennan by giving him a perspective on their relationship?	6. Michelle	
6. What is the name of the teenager that Cam adopts?	7. Otter	
7. Jimmy 'Beaver' Bouvier is found strung up in the costume of his college mascot, an 'what'?	8. Brennan / Booth	
8. 'Who' decides to have a baby and asks 'who' to be the father?	9. Stewie Griffin from Family Guy	 Some Cast Members Almost Left Early - Michaela Conlin (Angela) and Eric Millegan (Zack) both considered leaving at points but stayed thanks to fan support and new storyline opportunities.
9. When Booth begins to doubt himself, he finds himself talking which cartoon character?	10. The Lab	
10. In the final episode of Season 4, all the regular characters are seen living different lives. Booth and Brennan are married and own a nightclub called 'what'?	11. Gormorgan (after the serial killer)	
11. In the final episode of Season 4, all the regular characters are seen living different lives. Sweets is the frontman of a band called 'what'?	12. His brain tumour operation	
12. In the final episode of Season 4, all the regular characters are seen living different lives. This alternate universe was a dream/hallucination of Booth's following what?		 Temperance Brennan's Books Are Real and Popular - The Bones novels written by Kathy Reichs (on whom the character is based) are bestsellers and have inspired many readers to explore forensic anthropology careers.
		 The Lab Staff Wore Real Lab Coats - To boost authenticity, the actors and extras playing the lab techs wore actual lab coats and gear, rather than just costumes.
		 The Show Inspired a Real-Life FBI Training Module - Some FBI training programs actually use episodes of Bones to help trainees understand forensic anthropology basics and crime scene analysis.
