| QUESTION | ANSWER | DID YOU KNOW? |
|--|----------------------------|--|
| 1. Booth returns to the FBI following his brain surgery after being certified by 'who'? | 1. Dr. Sweets |  Booth's Socks Are a Running Joke Eagle-eyed fans noticed Booth's love for quirky socks — a small, ongoing gag that David Boreanaz fully embraced. |
| 2. Angela's psychic Avalon leads Booth and Brennan to a crime regarding bodies being buried under a fountain in Washington, one of which is 'what' relation to Avalon? | 2. Her younger sister | |
| 3. Appearing in 5 episode, which American singer stars in the role of psychic Avalon? | 3. Cyndi Lauper |  Emily Deschanel Is Also a Producer In later seasons, Deschanel took on a producer role, contributing to story development and creative decisions. |
| 4. Booth deals with the effects of his coma by relearning how to fix 'what' instead of paying for plumber? | 4. Pipes for his sink | |
| 5. Iranian intern Arastoo confesses to everyone that he has been faking 'what' and explains why he did so? | 5. His accent |  Bones Has a Strong International Following The show was especially popular in Europe, Asia, and Latin America, dubbed into many languages and broadcast worldwide. |
| 6. Booth's son Parker seems concerned that his dad does not have a 'what'? | 6. Girlfriend | |
| 7. Sweets convinces Brennan to give 'who' another chance, having her return to the Jeffersonian as an intern? | 7. Daisy |  Angela & Brennan Are Friends in Real Life Emily Deschanel and Michaela Conlin (Angela) became close friends off-screen, just like their characters were in the show. |
| 8. When the mutilated body of a local chicken farmer are found by a nearby river, several 'what' who have been protesting outside the chicken factory become suspects? | 8. Animal Rights Activists | |
| 9. The remains of a person with dwarfism who was found in a sinkhole turns out to be a wrestler who competed in a wrestling league. What was the victims ring name? | 9. The Iron Leprechaun |  Bones' Use of Forensic Anthropology Helped Popularize the Field After the show aired, forensic anthropology saw a surge in interest among students and TV audiences fascinated by real-life science. |
| 10. Booth, still dealing with effects from his brain tumour, has problems with his aim and must be re-certified for FBI 'what'? | 10. Marksmanship | |
| 11. To help him with his aim problem following his brain surgery, Booth seeks advice from Dr. Gordon Wyatt who is now working as a 'what'? | 11. Chef |  The Show's Creator, Hart Hanson, Originally Wanted a Female Lead Cop Hanson's original concept was to flip the crime drama formula with a female forensic anthropologist paired with a male FBI agent — a fresh dynamic at the time. |
| 12. Booth must deal with taking care of Hank as he prepares to move in. What is Hank's relationship to Booth? | 12. His grandfather | |
