QUESTION	ANSWER	DID YOU KNOW?
1. What type of town is Amity Island described as?	1. A New England beach town.	1. 📖 Jaws 2 was originally planned as a prequel about the sinking of the USS Indianapolis, the story Quint tells in the original Jaws.
2. What are the scuba divers doing when the shark first appears?	2. Photographing the wreckage of the Orca.	2. 🎬 Director Jeannot Szwarc replaced John D. Hancock during early production due to creative disagreements with producers.
3. What wreckage are the divers photographing?	3. The wreckage of the Orca.	3. 😡 Roy Scheider only returned as Chief Brody because of a contractual obligation with Universal — and he was very unhappy on set.
4. Who recovers the divers' underwater camera?	4. Deputy Jeff Hendricks.	4. 🔥 Scheider and Szwarc clashed frequently, with tensions so high that they once had a physical altercation during filming.
5. What happens to the woman piloting the boat after the water skier is attacked?	5. She dies when the boat explodes.	5. 🧠 The famous tagline "Just when you thought it was safe to go back in the water" is widely considered one of the most iconic in film history.
6. What physical injury does the shark sustain from the boat explosion?	6. Its face is badly burned.	6. 🦈 The shark's burned and scarred appearance was added to distinguish it from the shark in the original movie and make it appear even more terrifying.
7. What dead marine animal washes up on the beach?	7. A killer whale.	
8. Who suspects that a shark is responsible for the whale's death?	8. Police Chief Martin Brody.	
9. Why can't Matt Hooper help Brody this time?	9. He is on an expedition in Antarctica.	
10. What does Mayor Vaughn worry about if the shark threat goes public?	10. The town's tourism and new development plans.	
11. What does Brody do to try to protect his family?	11. He forbids Mike from going out on the water.	
12. What mistake does Brody make from the beach observation tower?	12. Mistakes fish for a shark and fires his gun.
