QUESTION	ANSWER	DID YOU KNOW?
1. What theory about the shark does Hoagie share?	1. That the shark is hunting Ellen's family	1. 📖 Book Tie-In Differences - 📺 The novelization explains the shark's pursuit as a voodoo curse on the Brody family — an idea dropped from the final film.
2. What happens to Hoagie's plane?	2. Dragged underwater by the shark	
3. How do Michael and Jake get to Ellen's boat?	3. They swim from the downed plane	2. 🛠️ Mechanical Shark Malfunctions - 🎬 Like previous films in the franchise, the mechanical shark frequently malfunctioned during filming, causing delays and reshoots.
4. What do Michael and Jake build on the boat?	4. A device that emits electrical impulses	
5. What happens to Jake during the shark attack?	5. He is bitten and dragged underwater	3. 💰 Tiny Budget, Big Expectations - 📈 With a budget of around \$23 million, it was the most expensive Jaws sequel at the time, but it earned far less than expected at the box office.
6. What does Jake place into the shark's mouth?	6. An electrical impulse device	
7. How does the shark react to the electrical impulses?	7. It jumps repeatedly in pain	4. 🌴 Bahamas for Real - 🌊 Unlike many tropical-looking movies, most of the Bahamas' scenes were actually filmed in the Bahamas, giving the film authentic beach visuals.
8. What does Ellen use to kill the shark?	8. The broken bowsprit of the boat	
9. What memory does Ellen have during the final confrontation?	9. Sean's death and Martin's victory over the first shark	5. 🏆 Razzie "Recognition" - 🏆 The film was nominated for multiple Golden Raspberry Awards, including Worst Actor (Michael Caine) and Worst Picture.
10. What happens to the shark in the original U.S. ending?	10. It bleeds out and dies after impalement	
11. What is different in the revised ending regarding the shark's death?	11. It explodes instead of bleeding out	
12. What is the fate of Jake in the revised ending?	12. He is seriously injured but survives
