FUN FACTS

1. 🎬 Keira Knightley was only 17 during the first Pirates film — yet delivered one of the franchise's most iconic performances.
2. 🎭 Renée Estevez has acted alongside both her famous father and brothers — proving talent really is a family business.
3. 🎵 Minnie Riperton was famous for her five-octave vocal range — including those famous whistle notes in Lovin' You.
4. 🧑 Gal Gadot announced her fourth daughter's arrival quietly on social media — a calm reveal worthy of an Amazon warrior.
5. 🗣️ Nicola Coughlan has said she loves choosing roles that are wildly different — no typecasting here.
6. 🎭 Maggie Smith filmed Sister Act between major Shakespeare roles — showing true range from habit to high drama.
7. 🎭 Mamie and Grace Gummer have both shared the screen with their mother — though escaping her shadow is another challenge entirely.
8. 🎬 The Jetty marked one of Jenna Coleman's grittiest roles yet — far removed from her earlier period dramas.
9. 🎭 Nicolas Cage once said he knew Patricia Arquette was "the one" almost immediately — Hollywood romance rarely moves slowly.
10. 🏥 Amanda Burton became so associated with forensic drama that fans often assumed she had a medical background.
11. 📺 Katie Redford's real age caused such a stir that the role was quickly recast — proving soap drama isn't limited to the screen.
12. 🎬 Curfew highlights Alexandra Burke's continued rise in acting — showing chart-toppers can shine just as brightly on TV.
