One for the Bar!

1. 🌙 The Sandman was considered "unfilmable" for decades before finally making it to screen.
2. 🦊 In Valyrian, "Valar Morghulis" is often answered with "Valar Dohaeris" — meaning "All men must serve."
3. 🏆 DeForest Kelley originally auditioned for Spock before landing the role of Bones.
4. 🗡️ Sean Bean has become famous for dying on screen — Ned Stark is just one of many!
5. 🎨 Gates McFadden was also a choreographer, even working on Labyrinth.
6. 🎓 Class only lasted one series — but built a cult following among Doctor Who fans.
7. 🚀 Star Trek: Voyager was the first Trek series to feature a female captain in the lead role.
8. 🗽 The Statue of Liberty in Doctor Who is revealed to be a giant Weeping Angel — terrifying if you blink at the wrong time!
9. 🚗 The Audi Quattro in Ashes to Ashes became such a fan favourite it arguably outshone Gene Hunt's Cortina.
10. 🚢 Captain Kirk's middle name "Tiberius" wasn't revealed until later in the franchise.
11. 🍩 Stranger Things brought Eggo waffles back into pop culture in a big way.
12. 📺 Colin Baker appeared in Doctor Who before becoming the Sixth Doctor — as did Peter Capaldi before becoming the Twelfth.
