ONE FOR THE BAR!

1. 📰 Elliot Carver's plan involved manipulating global news — basically social media before social media existed.
2. 🏏 Vijay Amritraj later became one of India's best-known sporting TV personalities as well as a tennis star.
3. ✈️ Honor Blackman was already famous from The Avengers before becoming Bond's famously named pilot.
4. 🚗 The famous two-wheel stunt happened because the alleyway was genuinely too narrow for the car.
5. 🎮 Jane Seymour played Solitaire, whose psychic powers mysteriously disappeared after falling for Bond. Funny that.
6. 🎯 Sean Bean's Bond villain was originally Agent 006 — proving workplace rivalries can get seriously out of hand.
7. 🎩 Oddjob's razor-edged bowler hat became one of the most iconic weapons in Bond history.
8. 🎸 Barbara Bach later married Beatles drummer Ringo Starr in real life.
9. 🎓 Bond's link to Cambridge appears in the film despite Ian Fleming himself attending Eton and Sandhurst instead.
10. 🌐 Bond's planned European assignment quickly turned into a globe-trotting hunt involving diamonds, Las Vegas and Blofeld chaos.
11. 🚀 Hugo Drax's plan in Moonraker involved wiping out humanity and rebuilding civilisation in space. Slight overreaction.
12. 🍷 Tracey remains the only woman James Bond ever married — and it lasted less time than most pub quizzes.
