11. Which member of Dex Harding's family is found dead in a bathtub?
12. What two goals that Anna pursued throughout the season does she appear to achieve in the final scenes?

ONE FOR THE BAR!

12 FUN FACTS ABOUT AMERICAN HORROR STORY

SEASONS 7-12

1. Season 7 (Cult) was the first season with no genuine supernatural threat.

The horror came from people, paranoia, manipulation and real-world fears rather than ghosts, witches or monsters.

2. Twisty the Clown returned in Cult despite dying in Freak Show.

His appearance came through stories, comics and hallucinations rather than a full resurrection.

3. The events of Cult begin on the night of the 2016 U.S. Presidential Election.

Ryan Murphy built the season around the fear, division and anxiety surrounding that period.

4. An episode of Cult was re-edited after the 2017 Las Vegas shooting.

FX removed or reduced several graphic gun-violence scenes before broadcast out of respect for victims.

5. Season 8 (Apocalypse) was the first true crossover season.

It directly connected the worlds of Murder House and Coven while bringing back numerous fan-favourite characters.

6. The Antichrist storyline teased in Murder House finally paid off in Apocalypse.

Michael Langdon, introduced as a child in Season 1, became the central villain years later.

7. Season 9 (1984) was inspired by classic 1980s slasher films.

The season deliberately borrowed elements from movies such as *Friday the 13th* and *Halloween*.

8. For the first time, Sarah Paulson appeared only briefly in 1984.

After starring heavily in earlier seasons, her role was reduced to a special guest appearance.

9. Season 10 (Double Feature) was the first season split into two separate stories.

"Red Tide" and "Death Valley" told completely different tales within the same season.

10. Although aliens had appeared before in Asylum, Death Valley finally explored the alien mythology in much greater detail, including government conspiracies and historical encounters.

11. Season 11 (NYC) was inspired by real events from the early AIDS crisis.

Unlike most AHS seasons, many of its horrors were grounded in historical reality rather than supernatural mythology.

12. Season 12 (Delicate) was the first AHS season based on a novel.

It adapted major elements from the book *Delicate Condition* by Danielle Valentine, making it the franchise's first direct literary adaptation.

ANSWERS

ROUND 1 – Season 7

1. November 8, 2016
2. Brookfield Heights
3. Donald Trump
4. The Butchery on Main
5. Kai Anderson
6. Psychiatrist
