QUIZMASTER ANSWER SHEET

Questions • Answers • “One For The Bar!” Fun Facts

Q What precious part of herself must Ariel surrender in return for Ursula’s spell?

A Her voice

ONE FOR THE BAR!

Ursula claims Ariel will not need her voice to impress Eric—which is rich coming from somebody who performs an entire musical number to sell the deal!

Q What are the names of Ursula’s slippery and thoroughly sinister eel henchmen?

A Flotsam and Jetsam

ONE FOR THE BAR!

Their names both refer to debris found at sea—although most floating rubbish does not spy for a sea witch!

Q A life-sized statue of which handsome human prince takes pride of place in Ariel’s secret treasure cove?

A Prince Eric

ONE FOR THE BAR!

The statue falls straight through the roof of Ariel’s grotto. Subtle romantic décor was clearly not Flounder’s strong point!

Q After Ursula’s scheme is finally defeated, who permanently transforms Ariel into a human?

A King Triton

ONE FOR THE BAR!

Triton finally uses his magic to give Ariel legs permanently, having realised that smashing all her belongings was not his finest parenting moment!

Q Which two colours make Flounder one of the brightest fish under the sea?

A Blue and yellow

ONE FOR THE BAR!

Despite being called Flounder, Ariel’s loyal companion looks far more like a brightly coloured tropical fish than an actual flounder!

Q Which nervous character reveals to King Triton that Ariel has rescued and fallen in love with a human?

A Sebastian

ONE FOR THE BAR!

Sebastian promises to protect Ariel’s secret but crumbles when questioned by Triton. He may be a talented musician, but he would make a terrible poker player!

Q What rather extravagant birthday present does Grimsby unveil for Prince Eric?

A A life-sized statue of Eric

ONE FOR THE BAR!

Eric looks less than delighted by the statue, while Max the dog immediately recognises it as an excellent object to bark at!

Q Which feathered friend realises that Eric’s mysterious bride-to-be, Vanessa, is really Ursula in disguise?

A Scuttle

ONE FOR THE BAR!

Scuttle spots Vanessa’s reflection in a mirror and uncovers the truth—finally getting something about the human world completely right!

Q Ariel has six older sisters—name any two of them.

A Any two from Aquata, Andrina, Arista, Attina, Adella and Alana

ONE FOR THE BAR!

All seven daughters of Triton have names beginning with the letter A. Their father certainly committed to the theme!

Q Ursula gives Ariel how many days to receive true love’s kiss from Prince Eric?

A Three days

ONE FOR THE BAR!

Ariel has just three sunsets to win Eric’s heart, making it one of the most stressful romantic deadlines in Disney history!

Q During their romantic boat trip, who quietly helps Eric discover Ariel’s real name?

A Sebastian

ONE FOR THE BAR!

Sebastian whispers Ariel’s name to Eric before launching into “Kiss the Girl”—the underwater equivalent of giving your mate a very obvious hint!

Q According to Scuttle’s highly unreliable human expertise, what do people use a fork to do?

A Style their hair

ONE FOR THE BAR!

Scuttle calls the fork a “dinglehopper” and confidently demonstrates its supposed purpose. Confidence, as ever, is no substitute for accuracy!
